Transfer of Services Division, FBIB, to P&A

1. Reference my conversation with [] on the above subject on 26 May, the Services Division of FBIB will remain with FBIB until the P&A Branch can take over this activity adequately and provide efficient reproduction support for FBIB.

2. In view of the fact that there is no available space for the Services Division, FBIB, in the new quarters planned for it, the movement of FBIB from its present location should be delayed until the P&A Branch can assume the responsibility for reproduction support.

3. In view of the statement of [] that adequate support can be provided by P&A Branch by about 1 August 1947, further report is requested on that date as to the status of this problem.

4. Please inform the Assistant Director for Operations accordingly.

SUBJECT: Transfer of Service Division, FBIB to P & A

1. The attached memorandum and its appendix indicate the belief, concurred in by this office, that the proposed transfer of the Service Division, FBIB to P & A is not desirable until such time as FBIB and the Service Division, P & A can be housed in the same building.

2. In view of the fact that this question of the physical location of FBIB's Service Division will have an important effect on present plans of P & A for the occupancy of the [] request that this be forwarded to the Executive for P & A for consideration and a matter of record.
